KASK

A construction worker is shown in profile, wearing a white KASK full-brim helmet with a clear face shield. The helmet has the KASK logo on the side and a communication system with a microphone and a red button. He is also wearing a bright yellow high-visibility safety vest over a dark brown t-shirt. He is wearing grey work gloves and is holding a power tool, possibly a jackhammer, which is partially visible in the foreground. The background is a blurred construction site with a red crane arm and a blue sky.

FULL BRIM PERFORMANCE
WITHOUT THE RISKS.
