

WVI00018

Polycarbonate visor with innovative design with scratch-resistant lacquer coating and internal anti-fog treatment. The rubber profile on the upper edge protects in case of dripping and the cut proof edge ensure the maximum comfort. The ergonomic and panoramic shape is compatible for overlapping corrective glasses. The high level of quality lens ensures maximum eye protection and allows its continued use throughout the workday. The visor includes the screw set for helmet attachment (also available as accessory spare part).

ADDITIONAL INFORMATION

GUARANTEE

3 years starting from the date of purchase.

SHELF LIFE

10 years starting from the date of manufacture. Shelf life depends on various factors that can cause deterioration such as sudden temperature changes, the amount of exposure to direct sunlight and the intensity of use. Altered vision and scratches are elements that signal the need to check for deterioration of the visor.

CLEANING

Clean only with water and mild soap. Allow to air dry. Do not use chemical detergents, solvents, petrol powders as they are too aggressive and could lower the structural resistance of the visor. Do not rub the lens when dry.
