

DECLARATION OF CONFORMITY

The Company

Kask SpA - Via Firenze, 5 – 24060 Chiuduno - ITALY

Declares that the PPE described hereafter;

Occupation protective helmet model -

ZENITH X and his variant ZENITH X AIR

Is certified in compliance to the Standard AS/NZS 1801:1997, and is identical to the PPE product listed under the EU type examination certificate n°21-0030 issued by the notified body n°20008 DOLOMITICERT.

Therefore under this certification it also complies with the below requirements:

- European standard EN 397:2012+A1:2012 "Industrial safety helmets" plus optional requirements § 5.2.1 Very low temperature (-30°C), § 5.2.4 lateral deformation, § 5.2.5 molten metal splashes and 5.2.3 Electrical properties (only variant ZENITH -X);
- European standard EN 50365:2002 "Electrically insulating helmets for use on low voltage installations";
- European standard EN 12492:2012 "Helmets for mountaineering" shock absorption § 4.2.1.2 front, § 4.2.1.3 side, § 4.2.1.4 rear.
